The right to participate in and exercise their voting rights at the Annual General Meeting have those shareholders who have registered to that purpose with the Company and transmitted to the Company a specific proof of their shareholdings pursuant to section 13 para. 3 of the Articles of Association. A specific proof regarding the respective shareholding, prepared by the custodian institution in text form, shall be sufficient. The proof regarding the shareholding must refer to the beginning of the 21st day prior to the Annual General Meeting. This is 17 April 2018, 00:00 a.m. (record date).

The registration and the proof of shareholding must be prepared in the German or English language and must be received by the Company in text form by 1 May 2018, 12:00 p.m., at the latest at the following address, fax-number or e-mail address:

E-mail: anmeldestelle@computershare.de

III. Significance of the record date

The entitlement to participate in the Annual General Meeting and the scope of the voting rights are exclusively determined by the shareholding owned by the respective shareholder on the record date. Changes in the shareholding following the record date will not affect the entitlement to participate in the Annual General Meeting and the scope of voting rights. The record date is not equivalent to a ban on the sale of shares. Persons who do not own any shares on the record date and become shareholders only after the record date are not entitled to participate in the Annual General Meeting or to exercise voting rights. The record date does not constitute a relevant date with respect to the dividend entitlement.

IV. Procedures for proxy voting

Shareholders who cannot participate personally in the Annual General Meeting may be represented by a credit institution, a shareholders' association or a proxy of their choice.

The granting of the power of attorney, its revocation and the evidence of the authorization towards the Company must be made in text form. This does not apply if a credit institution or a shareholders' association or any person or institution of equivalent status pursuant to section 135 para. 8 and section 135 para. 10 in conjunction with section 125 para. 5 AktG is authorized. Credit institutions, shareholders' associations and the persons and institutions of equivalent status pursuant to section 135 para. 8 and section 135 para. 10 in conjunction with section 125 para. 5 AktG are required to only maintain documented proof of powers of attorney.

The entrance cards to the Annual General Meeting will contain forms for the granting of powers of attorney, which the shareholders can use in this respect.

The evidence for the authorization can be transmitted (electronically) to the Company at the following e-mail address:

anmeldestelle@computershare.de

V. Shares and voting rights

As of the calling of the Annual General Meeting 2018, the nominal share capital of the Company amounts to EUR 10,578,546.00 and is divided into 3,526,182 ordinary bearer shares without par value. The total number of voting rights in the Company corresponds to the total number of shares and therefore amounts to 3,526,182 voting rights at the time of calling of the Annual General Meeting.

have owned the above-mentioned minimum number of shares for at least 90 days prior to the receipt of the demand and that they will hold the shares until a decision is reached by the Management Board with respect to the application.
