Smart solutions for optimised workflows

Passion Displayed

Turning your product vision into reality

Solutions for professional kitchen & home appliances

From high-performance kitchen equipment to intuitive HMI systems for home appliances, we provide display solutions designed to match your exact needs and enhance the user experience.

We understand your requirements

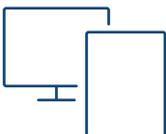

Addressing the key challenges

From extreme heat and humidity to temperature fluctuations and spills: our resilient, high-quality displays are designed to seamlessly integrate into your kitchen and home appliance systems, meeting the highest hygiene standards while delivering exceptional performance and sleek, modern design.

Fulfilling your needs is our top priority

Your advantages at a glance

Reliability & durability

- ▶ High-performance displays for harsh environments
- ▶ PCAP sensors & advanced touch controllers for seamless interaction
- ▶ Durable materials for long product life

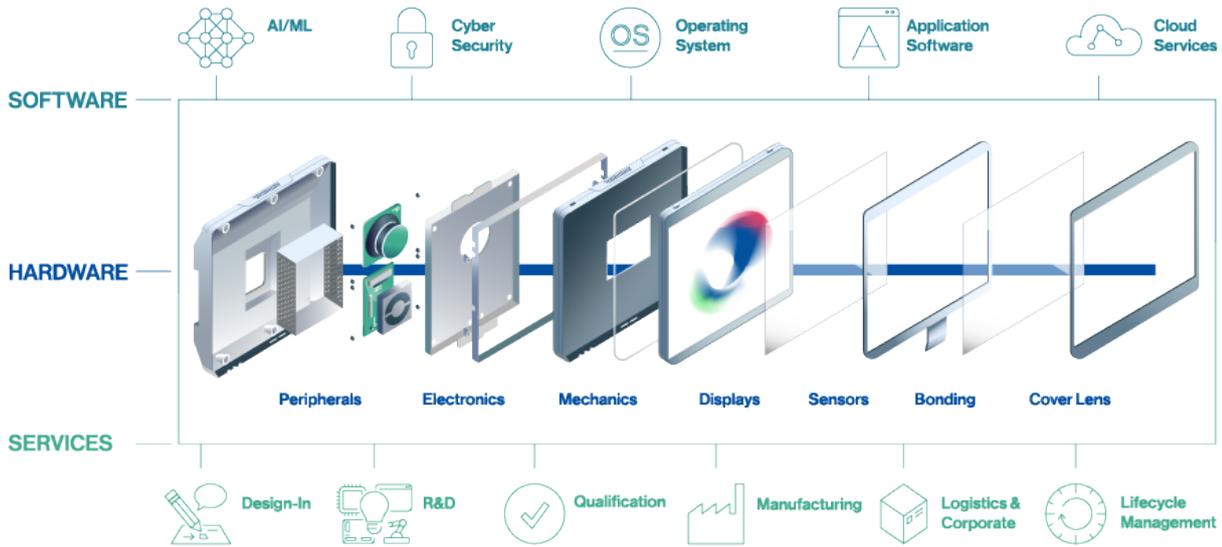

Connectivity & Integration

- ▶ RFID, NFC, WLAN & Bluetooth for smart connectivity
- ▶ Proximity sensors for touch detection & HMI activation
- ▶ Wheel-on displays & optical encoders for precise control

Design & Performance

- ▶ Clear visibility from all angles
- ▶ Black Panel Effect for a sleek, modern look
- ▶ Optimised touch settings to avoid false triggering, even with liquids

Exactly tailored to your needs

Customising options for your unique product

For professional kitchen and home appliances, we provide displays that meet the highest standards of durability and hygiene. Each solution is crafted to perform flawlessly under tough conditions, with materials and components carefully selected to ensure long-lasting quality and reliability.

Realise your project together with us

Professional kitchen & home appliances

Coffee machine

Oven

Dish washer

Dispenser
