

295 Years of experience and dedication: DATA MODUL celebrates its anniversaries

Weikersheim, December 11th, 2025

As part of the Christmas celebration of DATA MODUL GmbH at the Weikersheim site, numerous employees were recently honored for their many years of loyalty and outstanding achievements. Altogether, the honorees represent an impressive **295 years of service** – a strong testament to commitment and connection.

Martina Karl was recognized for **35 years** with the company. In his speech, Managing Director **Michael Scheuenstuhl** praised her exceptional dedication, professional expertise, and consistent commitment in her role as **Project Manager**. **Thomas Gundling** was also honored for **30 years** in the **Development Department**. “His reliability, know-how, and long-standing experience make him an important pillar of our company,” Scheuenstuhl noted.

For **25 years** of service at the Weikersheim site, **Khaled Hassen, Jochen Hesser, Torsten Waldmann, Herbert Grimm, and Ulrich Baudisch** were recognized. Having been part of the company for **15 years**, **Sebastian Horn, Eduard Wald, and Diana Baumann** were also honored. **Anja Michler** and **Daniel Hügel** received recognition for **ten years** of service, while **Julia Zobel, René Geis, and Saifullah Yousufi** were acknowledged for **five years** with the company.

Another special moment of the evening was the **farewell** to **Andreas Heinze**, who retired after **four years** as a technician in **Inhouse Management**. Site Manager Michael Scheuenstuhl expressed his heartfelt thanks to him and all honorees on behalf of the management for their longstanding loyalty and valuable contributions to the company’s success – past, present, and future. He wished everyone, especially the retiree, all the best and emphasized that loyalty and consistency are far from self-evident in today’s increasingly fast-paced working world.

About DATA MODUL

As a passionate enabler, DATA MODUL AG does everything in its power to turn customers' visions into reality. With a comprehensive understanding of hardware, software and services as a harmonious unit, the focus is on developing customised display solutions that precisely meet the specific needs and objectives of the customer.
